## What is Involve Inverclyde?

Involve Inverclyde encourages and supports communities to get involved in how local services are planned and run.

Involve Inverclyde is the name for our network of experience groups. These groups meet every three months to share their experiences, positive stories or challenges when using health services in Inverclyde.

Whether your experience was good or bad, we can use your feedback to improve local services. **Your Health, Your Say.**

## Why get involved?

Your Voice works directly with the Inverclyde Health and Social Care Partnership. We can deliver your experiences, stories or challenges to decision makers and drive the change you want to see within Inverclyde.

Involve Inverclyde is your local link to the people responsible for running and planning your local services. Drop by a meeting, contact us on 01475 728628 or email [enquiries@yourvoice.org.uk](mailto:enquiries@yourvoice.org.uk)!
